

For Members and Retired Members
of the Public Service Pension Plan

A Stronger Plan for You

There's no one path to retirement. But with a plan **designed for service and built to last**, retirement security is your destination - no matter what path you take.

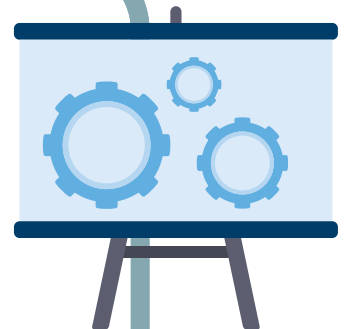

Recognized by CEM as **#2** in Canada and **#4** out of 70 plans globally, for delivering **excellence** in **service** and **pension administration**

Delivered a **10.8% return on investment** and maintained a funded status of approximately 97%

Launched IMCO, creating a combined **\$60 billion investment manager** working on behalf of OPB's members

In 2017, we continued on the path of designing an investment and funding strategy that will keep our Plan **strong** and **sustainable**.

"IMCO's launch was a significant milestone. It sets us up well to deliver on the long-term sustainability of the Plan by better positioning us to be able to take advantage of opportunities that can enhance our returns."

- Geri Markvoort, Chair

"OPB implemented several strategic initiatives to help protect the long-term health of the Plan so we can continue delivering retirement security for our current and future members."

- Mark Fuller, President & CEO

"We are committed to helping you create a strong plan for your future. That's why we offer pension and financial planning education workshops and personalized one-on-one advisory sessions with our in-house Certified Financial Planners® to help you navigate key pension decisions."

- Peter Shena, EVP & Chief Pension Officer

"We had a number of exciting transactions in 2017 that contributed to our success, including starting construction on the 16 York Street property."

- Ken Lusk, Chief Investment Officer
